More specifically, the Selection Board decides on those candidates who are admitted to the selection procedure in accordance with the requirements as specified in the vacancy notice. The applications of the candidates admitted to the selection procedure are reviewed and the Selection Board decides on those candidates who are invited to attend an interview. The Selection Board adheres strictly to the conditions of admission laid down in the vacancy notice when deciding whether or not candidates are to be admitted. Candidates admitted to a previous selection procedure will not automatically be eligible. Should the Selection Board discover at any stage in the procedure that the candidate does not meet one or more of the general or special conditions for admission to the selection procedure or that the information on the application form does not correspond with the supporting documents, the candidate will be disqualified.

Shortlisted candidates will be asked to undergo a written test of which the candidates will be informed in advance. a reserve list of suitable applicants to occupy the position advertised. Candidates should note that inclusion on the reserve list does not guarantee recruitment.

The reserve list will be valid until 31/08/2019 and may be extended by decision of the Executive Director for a further 12 months. This list may be used to recruit Staff for other positions in the areas referred to in this vacancy.

Candidates invited to interview will be informed by e-mail whether or not they have been placed on the reserve list. Candidates placed on the reserve list will be asked to fill a specific form informing the Appointing Authority of any actual or potential conflict of interest³. If a letter of intention is issued, the candidate must undergo a compulsory medical examination to establish that he/she meets the standard of physical fitness necessary to perform the duties involved and they must provide original or certified copies of all relevant documents.

In line with the European Ombudsman's recommendation, ENISA publishes the names of the Selection Board on its website once established. It is strictly forbidden for the candidates to make any contact with the Selection Board, either directly or indirectly. Any infringement to this rule will disqualify the candidate from the competition.

All enquiries or requests for information in relation to the competition, including details about candidates' results⁴ should be addressed to the following email address recruitment@enisa.europa.eu.
