## PERSONAL INFORMATION

Paul HERLING, CISA

Agence nationale de la sécurité des systèmes d'information (ANSSI)

As head of the Division at the Commission for the Supervision of the Financial Sector (CSSF) in Luxembourg, I've gained considerable experience in the field of global financial markets and the supervision of regulated entities in Europe and Asia. Until December 2011, I was the Key Expert for the Luxembourg Agency for the Development and Cooperation (LuxDev) in a strategic project for the development of Capital Markets in Vietnam (VIE/026). Until 2009, I seconded the European Securities and Markets Authority (ESMA) to coordinate the implementation of a major pan-European regulatory project (MiFID).

I hold a Master's Degree from the University of Nancy 2, France and a Bachelor en sciences Economiques et de Gestion from the University of Luxembourg.
