

DATA PROTECTION NOTICE

8TH EHEALTH SECURITY CONFERENCE

The 8th eHealth Security Conference is organized by the European Union Agency for Cybersecurity (ENISA). The event will take place in a physical format on September 20th, 2023.

Your personal data in the context of the 8th eHealth Security Conference shall be processed in accordance with the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data¹.

The data controller for the processing of your personal data in the context of this event is ENISA (Policy Development and Implementation Unit).

ENISA is responsible for the overall organisation of the events as well as the communication with the participants before and after the end of the event.

The legal basis for the processing operation is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) No 881/2019, in particular the provisions establishing the tasks of ENISA.

The purpose of the processing of personal data is to organise the event, register the event's participants through ENISA's website and EU Commission's EUSurvey tool, as well as communicate with the registered participants within the scope of the 8th eHealth Security Conference.

The data processors involved in the processing operation are:

- ENISA's staff involved in the organisation of the conference
- T&T Executive SA, established in Greece, that will be responsible for supporting the organisation of the event
- The EU Commission (through the use of the EU Survey tool², which is used by ENISA for the registration of participants to the event).

The following personal data is processed for the events' participants:

- Contact data: first name, last name, organisation and email address (collected upon registration and further processed by ENISA).

Please Note:

- 8th eHealth Security Conference will not be audio/video recorded.
- There will be photos taken during the workshop's presentations (keynotes/panels) based on the prior consent of the speakers (presenters/panel participants). These photos may be published on ENISA's website and/or relevant social media channels. The focus of the photos will be on the speakers only and not on general views of the audience or specific views/pictures of workshop's participants (other than speakers). Still, should your photo be taken in the context of

this photo shooting, and you would like to have this photo removed, please contact ENISA at isd@enisa.europa.eu and we will do so as soon as possible.

The retention periods for the personal data are as follows: the participants' contact data will be kept by ENISA for a maximum period of 6 months after the end of the event, unless the participants have provided their consent upon registration for further processing by ENISA (in order for the participants to get informed about future ENISA activities and events). In the latter case, ENISA will keep the contact data until the participants withdraw their consent³.

Recipients of personal data: access to your contact data is granted only to designated ENISA and staff, who are involved in the organisation of the three events. Access to the personal data may be provided to EU bodies charged with monitoring or inspection tasks in application of national or EU law (e.g. internal audits, European Anti-fraud Office – OLAF).

Storage of personal data: the contact data collected upon registration on EU Survey are only stored and processed within EU/EEA.

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. If you have any queries concerning the processing of your personal data, you may address them to ENISA at isd@enisa.europa.eu. You may also contact at any time the ENISA DPO at dataprotection@enisa.europa.eu.

You have right of recourse at any time to the European Data Protection Supervisor (<https://edps.europa.eu>).

³ ENISA will provide additional information on further processing directly to those participants that give their consent.
