

# Curriculum Vitae

## PERSONAL INFORMATION

Thomas Flarup

## POSITION IN THE ENISA MANAGEMENT BOARD

Member – representative of Denmark

## WORK EXPERIENCE

Thomas is head of the Danish Center for Cyber Security (CFCS). CFCS is the national IT security authority, Network Security Service and National Centre of Excellence within cyber security in Denmark.

The Centre's mission is to advise Danish public authorities and private companies that support functions vital to society on how to prevent, counter and protect against cyberattacks. <https://www.cfcs.dk/en/about-us/about-cfcs/>

Previously Thomas held management positions in the Danish private sector including VP and EVP roles in software development, project- and service delivery primarily at KMD - the largest Danish based IT company developing and delivering software- and service solutions to public and private customers in the Nordics.

A total of 20+ years of work experience also including careers in Management consulting at The Boston Consulting Group (BCG), Telecommunications and Systems integration at the Danish incumbent telecommunication provider TDC, the Danish Ministry of Defence and the Danish armed forces.

## EDUCATION AND TRAINING

The CBS Board Leadership Program, Copenhagen Business School  
Program for Executive Development, IMD, Switzerland  
Master of Science in Engineering, Technical University of Denmark
